Course Description: Participants in the course will receive the practical outdoor skills needed to lead Scouts in the out-of-doors. Imagine having hands-on knowledge of setting up a campsite, pitching a tent, hiking, outdoor cooking—all the skills necessary to see BSA’s outdoor program come to life. Hands-on participation is the best learning tool. Participants should leave training knowing they can show their Scouts how to accomplish outdoor skills needed to fulfill Scout through 1st Class rank requirements. Scouts deserve leaders who feel comfortable working with and instructing the outdoor Scouting skills.

Who should take this course? This is required training for all Scoutmasters, Assistant Scoutmasters, Venturing Crew Advisors, and Assistant Advisors. Troop and Crew Committee members are encouraged to attend.
